

Walkin'

Barry McGuire

The mornin' I left You
How could I know
I would be gone so long
I'll never forget You
Standin' alone
Only the memories
Movin' me on

Walkin', walkin'
I'm walkin' home to You
Yes, I'm walkin', I'm walkin'
I'm walkin' home to You

Bein' without You
Is bein' alone
Drifting like passin' time
The promise was spoken
We became one
Your heart was broken
So then was mine

Walkin', yes, I'm walkin'
I'm walkin' home to You
Yes, I'm walkin', I'm walkin'
I'm walkin' home to You

You're where my heart lives
You are my home
Nothin' can keep me away
Yeah, soon, I'll come walkin'
Right through Your door
Ah, we'll be together
That's where we'll stay

Walkin', You'll see me walkin'
I'm walkin' home to You
Ah, I'm walkin', yes, I'm walkin'
Mmm, I'm walkin' home to You

Yes, I'll keep on walkin', walkin', walkin'
I'll be walkin'
I'm walkin' home to You...
