

# Don't Let 'Em Blow Your Mind

Barry White

Beware of their strange, funky games and thangs  
Beware of the sly, the slick, and the wicked  
Don't let 'em blow your mind

Don't let 'em, don't let 'em, don't let 'em...

They use tricks and games  
And funny little things  
But don't let 'em blow your mind  
Keep your eye on your star  
You know who you are  
And don't wanna waste your time

They use tricks and schemes  
To shatter all your dreams  
But don't let 'em blow your mind  
You hold the key to unlock your destiny  
And you do it all in time

They use tricks and spoons  
And little round baloons  
But don't let 'em blow your mind  
Stay in to yourself  
There's nobody else  
On that you can rely

When you touch the Moon  
Sing a little tune  
For me  
You're free  
To fly  
High  
Ride the wind  
To the very end  
You'll see  
You're free  
To fly  
High

Pa-pa-yah  
Pa-pa-pa-yah  
Pa-pa-pa-yah  
Di-ah  
Pa-pa-yah  
Pa-pa-pa-yah  
Pa-pa-pa-yah  
Di-ah

Omu-pa-pa  
Omu-pa-pi-ah  
Omu-pa-pa, di-ah  
Omu-pa-pa  
Omu-pa-pi-ah  
Omu-pa-pa, di-ah

They use tricks and strange  
Little, funny money games

But don't let 'em blow your mind  
You know you can't be bought  
Not a penny for your thoughts  
And that's your bottom line

They use tricks and bombs  
And little, funny guns  
But don't let 'em blow your mind  
Just take a little look  
Inside a history book  
And you won't believe what you'll find

They use tricks, and friends  
Will try to do you in  
But don't let 'em blow your mind  
Stay cool, be strong  
Keep moving right along  
And leave the madness behind

When you touch your Moon  
Sing a little tune  
For me  
You're free  
To fly  
High  
You can ride the wind  
To the very end  
You'll see  
You're free  
To fly  
High

They use tricks and games  
And funny little things  
But don't let 'em blow your mind  
Stay in to yourself  
There's nobody else  
On that you can rely

Omu-pa-pa  
Omu-pa-pi-ah  
Omu-pa-pa, di-ah  
Don't let 'em blow your mind...  
Omu-pa-pa  
Omu-pa-pi-ah  
Omu-pa-pa, di-ah  
Don't let 'em blow your mind...

Omu-pa-pa  
Omu-pa-pi-ah  
Omu-pa-pa, di-ah  
Don't let 'em blow your mind...  
Omu-pa-pa  
Omu-pa-pi-ah  
Omu-pa-pa, di-ah
