Barry White

Tighten it up  
The letto... from the ghetto  
Ghetto letto... talk from the ghetto

(The letto...) All the hip letto  
(From the ghetto)  
(Ghetto letto...) Comes from the ghetto  
(Talk from the ghetto)  
And it really gets around  
(The letto...) I mean even the elite  
(From the ghetto) Talks that street talk  
(Ghetto letto...) When they wanna get down  
(Talk from the ghetto)

Hear that letto  
From the ghetto  
Brothers and sisters  
Get on down  
It sho is happenin'  
'Cause everybody's rappin'  
Now everybody is sho-nuff comin' around

The letto... from the ghetto  
Ghetto letto... talk from the ghetto

(The letto) They used to call it slang  
(From the ghetto)  
(Ghetto letto) But that didn't mean a thang  
(Talk from the ghetto)  
(The letto) People tried to knock it  
(From the ghetto)  
But they couldn't stop it  
(Ghetto letto) And now everybody  
(Talk from the ghetto) Damn near talks the same

Hear that letto  
From the ghetto  
Brothers and sisters  
Get on down  
It sho' is happenin'  
'Cause everybody's rappin', yeah  
Now everybody is sho-nuff comin' around

Tighten it up  
The letto... from the ghetto  
Ghetto letto... talk from the ghetto  
The letto... from the ghetto  
Ghetto letto... talk from the ghetto  
The letto... from the ghetto  
Ghetto letto... talk from the ghetto  
The letto... from the ghetto  
Ghetto letto... talk from the ghetto
