

Love's Interlude/Good Night My Love

Barry White

Good night, my love
Good night, my love

Good night, my love
Pleasant dreams and sleep tight my love
May tomorrow be sunny and bright
And bring you closer to me

Before you go
There's just one thing I REALLY NEED to know
Is your love, GIRL, still warm for me
Or has it gone cold?

If you should awake
In the still of the night
Please have no fear

FOR I'll be there
You know I care
Please give your love to me, dear

Good night, my love
Pleasant dreams and sleep tight my love
May tomorrow be sunny and bright
And bring you closer to me

If you should awake
In the still of the night
Please have no fear

OH I'll be there
You know I care
Please give your love to me, dear

Good night, my love
Pleasant dreams and sleep tight my love
May tomorrow be sunny and bright
And bring you closer to me
