

# You're So Good You're Bad

Barry White

You're so good, girl, you're bad  
(So good, so good)  
You're the baddest thing I ever had  
(So good, so good)

You're so good, girl, you are bad  
(So good, so good)  
You're the baddest thing I ever had  
(So good, so good)

You're so good, you're bad  
You're the baddest thing I ever had

(Ah...)

You're so good, girl, you're bad  
You're the baddest thing I ever had

You're... you're so good, girl you are bad  
(So good, so good)  
You're the baddest thing I ever had  
(So good, so good)

Ooh oh... you're good, you're bad  
(So good, so good)  
You're the baddest thing I ever had  
(So good, so good)

(So good, so good)  
(So good, so good)
