

# Ain't Got You

## Bars and Melody

When I thought I wasn't enough  
I could always count on your love  
Never thought of letting you down  
Oh no no no  
Only took a look in your eyes  
Lighting up the sky late at night  
Never thought of letting you down  
Oh no no no

With you I got so high  
But now that I come back down  
You're not here by my side  
And now I know

I don't want nothing nothing  
If I ain't got you ain't got you  
I don't want nothing nothing  
If I ain't got you ain't got you  
If I gotta give all of mine  
Just to get you back in my life  
I don't want nothing nothing  
If I ain't got you  
If I ain't got you

If I ain't got you  
If I ain't got you

With you baby I got so high that nobody could find me  
Lost inside of your eyes I want to runaway with you  
Baby I got nothing crashed the car and now it's burning  
When I'm in the dark yeah that really left me hurting  
Demons in the night time, your cold touch in the morning  
I want to feel control but all I feel is falling  
When you go back to your safe place I was thinking you could bring me  
Now it's getting louder and I don't think you can hear me

With you I got so high  
But now that I come back down  
You're not here by my side  
And now I know

I don't want nothing nothing  
If I ain't got you ain't got you  
I don't want nothing nothing  
If I ain't got you ain't got you  
If I gotta give all of mine  
Just to get you back in my life  
I don't want nothing nothing  
If I ain't got you  
If I ain't got you

If I ain't got you

I don't want nothing nothing  
If I ain't got you ain't got you  
I don't want nothing nothing  
If I ain't got you ain't got you

If I gotta give all of mine  
Just to get you back in my life  
I don't want nothing nothing

I don't want nothing nothing  
If I ain't got you ain't got you  
I don't want nothing nothing  
If I ain't got you ain't got you  
If I gotta give all of mine  
Just to get you back in my life  
I don't want nothing nothing  
If I ain't got you  
If I ain't got you

If I ain't got you  
If I ain't got you
