

# Closer

## Bars and Melody

Hey, I was doing just fine before I met you  
I drink too much and that's an issue  
But I'm OK  
Hey, you tell your friends it was nice to meet them  
But I hope I never see them  
Again

I know it breaks your heart  
Moved to the city in a broke-down car  
And four years, no calls  
Now you're looking pretty in a hotel bar  
And I, I, I can't stop  
No, I, I, I can't stop

So, baby, pull me closer  
In the back seat of your Rover  
That I know you can't afford  
Bite that tattoo on your shoulder  
Pull the sheets right off the corner  
Of that mattress that you stole  
From your roommate back in Boulder  
We ain't ever getting older

We ain't ever getting older  
We ain't ever getting older

I can take you to a place  
Cause I know you don't belong  
And I ain't good with love  
But I can write you a song  
We could wait,  
And let time tear us apart  
But we don't live forever,  
I've got a limited heart  
But this unlimited spark  
That we chase everyday  
How can we ignore it  
If it's never gonna fade?  
I have your back,  
And you are all that I need  
And when I see your smile  
It liberates me  
So open up to me  
There's nothing left to hide  
I can read you like a book,  
It spills out from your eyes  
Looking at the skyline  
In the rearview mirror  
Will anybody notice  
That we've disappeared?  
When I look into the sky,  
Do you see what I do?  
I can't even think straight,  
Infatuated by you  
We could be chasing nothing  
I wish that I knew  
Even if it takes forever,

I'll be chasing with you

So, baby, pull me closer  
In the back seat of your Rover  
That I know you can't afford  
Bite that tattoo on your shoulder  
Pull the sheets right off the corner  
Of that mattress that you stole  
From your roommate back in Boulder  
We ain't ever getting older

We ain't ever getting older  
We ain't ever getting older

Although time will swallow us  
And all of our youth  
My whole life I never thought  
I'd meet someone like you  
Someone I understand,  
I can see right through  
And even when you lie  
You're still telling the truth  
Like an ocean to a moon,  
I feel a strong link  
Like a ship in the sea  
I don't want it to sink  
We could be chasing nothing,  
I wish that I knew  
Even if it takes forever  
I'll be chasing with you  
Thank you for the memories  
That we've already shared  
Every time that you're crying  
Know that I am always there  
I know that you may think  
This is too good to be true  
How I'm feeling when I spend  
Every second with you  
And I promise that  
I'll never do you wrong  
And no, I'm not good with love  
So I'll tell you in a song  
When we get older  
And look back on our lives  
We will have no regrets  
And happily we will die

We ain't ever getting older  
We ain't ever getting older

We ain't ever getting older

We ain't ever getting older
