

Hello

Bars and Melody

Hello, it's me
I was wondering if after all these years you'd like to meet
To go over everything
They say that time's supposed to heal ya
But I ain't done much healing

Hello, can you hear me?
I'm in California dreaming about who we used to be
When we were younger and free
I've forgotten how it felt before the world fell at our feet
There's such a difference between us
And a million miles

Hello from the other side
I must have called a thousand times
To tell you I'm sorry for everything that I've done
But when I call you never seem to be home
Hello from the outside
At least I can say that I've tried
To tell you I'm sorry for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore

It was magic, the first time that I fell in love
Was I crazy, yo can I even call it love
I walk in circles, you're running around my head all day
I go to talk to you and don't even know what to say
I've got no job so I can't buy you pretty pearls
I've got no money to fly you all around the world
So all I give to you is all that comes from all of me
What's it gonna take for you to even notice me
I look to her but you know I think I broke the mould
She [?] like a princess with no throne
And when she looked at me I knew that I was sold
Her eyes shot through me colors yellow, green and gold
I walked up to her window looked right from the gutter
Just like a flower with the beauty I just started
And in that moment when she smiled and then she kissed me
I had to leave and now I'm bottomless and empty

Hello from the other side
I must have called a thousand times
To tell you I'm sorry for everything that I've done
But when I call you never seem to be home
Hello from the outside
At least I can say that I've tried
To tell you I'm sorry for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore
Anymore...

Hello from the other side

To tell you I'm sorry for everything that I've done
But when I call you never seem to be home
Hello from the outside
At least I can say that I've tried
To tell you I'm sorry for breaking your heart
