

On My Mind

Bars and Melody

[Leo:]

But I feel like I'm the only one who's feeling this way.
Could I be the one for you?
And can I call you my babe?
Don't want me like I want you and you don't feel the same.
I don't wanna make a fuss girl.
Now just tell me it straight.
Girl are you playing me?
Cause I wanna know.
When I look into your eyes,
I can see your soul.
It's like all you've ever wanted.
She's all you've ever liked.
Don't wanna be a part of you just cause you ain't her type.

[Charlie:]

And now I don't understand it.
You don't mess with love, you mess with the truth.
And I know I shouldn't say it.
My heart don't understand.
Why I got you on my mind.
Why I got you on my mind.
Why I got you on my mind.
Why I got you on my mind.
I don't understand why I got you on my mind.
Why I got you on my mind.
Why I got you on my mind.
Why I got you on my mind.

[Leo:]

I'm just a silly little kid.
That won't let go of you.
Cause no one on this earth,
Makes me feel the way you do.
I wanna take a risk.
But I don't wanna be your man.
I wanna be your everything.
I guess I never can.
I just wanna see you smile.
Even just a little bit.
Girl these scars will never heal.
And my heart will never fix.
But if I'm going crazy.
And you feel the way I do.
Tell me that you need me.
Cause I'm holding onto you.

[Charlie:]

And now I don't understand it.
You don't mess with love.
You mess with the truth.
And I know I shouldn't say it.
My heart don't understand.
Why I got you on my mind.
Why I got you on my mind.
Why I got you on my mind.
Why I got you on my mind.

My heart don't understand why I got you on my mind.
(You think you know somebody)
Why I got you on my mind.
(You think you know somebody)
Why I got you on my mind.
(You think you know somebody)
Why I got you on my mind.

You've got yourself.
In a dangerous zone.
Cause we both have the fear.
Fear of being alone.
And I still don't understand it.
You don't mess with love.
You mess with the truth.
And my heart don't understand it.
Understand it.
Understand it.

Why I got you on my mind.
(You think you know somebody)
Why I got you on my mind.
(You think you know somebody)
Why I got you on my mind.
(You think you know somebody)
Why I got you on my mind.
My heart don't understand why I got you on my mind.
(You think you know somebody)
Why I got you on my mind.
(You think you know somebody)
Why I got you on my mind.
(You think you know somebody)
Why I got you on my mind.
My heart don't understand.
Why I got you on my mind.
(You think you know somebody)
(You think you know somebody)
Why I got you on my mind.
(You think you know somebody)
Why I got you on my mind.
