

# One Dance

## Bars and Melody

Baby, I like your style  
Grips on your waist  
Front way, back way  
You know that I don't play  
Streets not safe  
But I never run away  
Even when I'm away  
Oti, oti, there's never much love when we go, oti  
I pray to make it back in one piece  
I pray, I pray  
That's why I need a one dance  
Got a Hennessy in my hand  
One more time 'fore I go  
Higher powers taking a hold on me  
I need a one dance  
Got a Hennessy in my hand  
One more time 'fore I go  
Higher powers taking a hold on me  
Baby, I like your style

Don't try to tell me you feel it if it ain't somethin' you witness  
Why have you gone and put me in this position  
Hold me, mold me into what you want just be careful of my heart I was only g  
iven one  
Distracting me compacting me till I wanna bust  
And even though I try I just can't get enough  
So rid me of this deadness rid me from this urge, it's like the world is cru  
mbling save me from the purge

And that's why I need a one dance  
Got a Hennessy in my hand  
One more time 'fore I go  
Higher powers taking a hold on me  
I need a one dance  
Got a Hennessy in my hand  
One more time 'fore I go  
Higher powers taking a hold on me

I'm stuck inside here wondering why are we even here  
Counting sheep in my sleep but the real sheep fear  
Sleeping at night, will they see another day  
And not even the K.L.B. can bring me back today  
The parchment leads to many bad choices  
This isn't one of them with all of these voices  
So end this one quietly and look me in the eye, I wish I could stay but I gu  
ess this is goodbye

Tell me, I need to know, where do you wanna go?  
'Cause if you're down, I'll take it slow  
Make you lose control  
Where where, where  
Where where, where where  
Where where, where  
Where where, where where  
'Cause if your down, cause if your down, cause if your down

And that's why I need a one dance

Got a Hennessy in my hand  
One more time 'fore I go  
Higher powers taking a hold on me  
I need a one dance  
Got a Hennessy in my hand  
One more time 'fore I go  
Higher powers taking a hold on me
