Bars and Melody

Let me know what there's been on your mind
I never know so just give me a sign
I'm so scared we're running out of time
If I am, let me know, I won't let you go

Our love is unconditional
I knew it when I saw those eyes
You're so unpredictable
You keep me guessing all the time
Do I stop? Do I stop?
Do I let these feelings drop?
You're so unpredictable
Our love is unconditional
Unconditional

Wanna take you back to the day that we met
I swear it is a day that I'll never forget
Young hearts, young minds, run wild and free
It wasn't complicated, just you and me
I swear every time that I look into your eyes
I can't figure you out, I'm going out of my mind
So tell me now, how do you feel?
So tell me why this love is real?

Our love is unconditional
I knew it when I saw those eyes
You're so unpredictable
You keep me guessing all the time
Do I stop? Do I stop?
Do I let these feelings drop?
You're so unpredictable
Our love is unconditional

Hate this game, it's my life, I can never tell if I'm wrong or right
Hate this game, it's my life, I can never tell if I'm wrong or right
Hate this game, it's my life, I can never tell if I'm wrong or right
Played this game all my life, will I ever know if I'm wrong or right?

Our love is unconditional
I knew it when I saw those eyes
You're so unpredictable
You keep me guessing all the time
Do I stop? Do I stop?
Do I let these feelings drop?
You're so unpredictable
Our love is unconditional
