

Unite

Bars and Melody

Yeah
Bars and Melody!

I've been feeling kind of lonely without you now
When you're not around
When we unite together, we share the stars
The moon and the ocean
There's no way I'm leaving here without you now
Without you now
We only get one life so let's live it now
Before it's all over

We're living life right now, no checking out
Making our new sounds, so check it out
You can't bring us down, now I doubt
That you'll keep up 'cause we'll keep going

Unite, we're never letting go
From London to Tokyo
Tonight turn up the radio
Sing oh, oh, oh, oh, oh
Unite, we're never letting go
From London to Tokyo
Tonight turn up the radio
Sing oh, oh, oh, oh, oh

We're gonna be alright
Let's stick together
We're gonna be okay
We'll live forever

Wait! I don't want this to end
I don't want an enemy, all I want is a friend
And in that time that you feel so low
And there's nobody around and nowhere to go
Blindness from the truth, we can stare at the sun
You can't separate us (ah) we will always be one
Moulded and shaped, unbreakable state
Scream that you're alive, it's a beautiful day
I wish that we could fly far away from it
But I think I know a place to get away from this
We can be strong as long as we stick together
Never letting go, we can live forever!

Unite, we're never letting go
From London to Tokyo
Tonight turn up the radio
Sing oh, oh, oh, oh, oh
Unite, we're never letting go
From London to Tokyo
Tonight turn up the radio
Sing oh, oh, oh, oh, oh

We're gonna be alright
Let's stick together
We're gonna be okay
We'll live forever

We're gonna be alright
Let's stick together
We're gonna be okay
We'll live forever

I ain't gonna ever
I ain't gonna ever
I ain't gonna let you down
I ain't gonna leave
I ain't gonna leave
Always gonna be around, oh
I ain't gonna ever
I ain't gonna ever
I ain't gonna let you down
Wake me up and bring me daylight
We are far from town

Whoa oh, whoa oh, we're gonna live forever
Whoa oh, whoa oh, we're gonna live forever
Whoa oh, whoa oh, we're gonna live forever
Whoa oh, whoa oh, we're gonna live forever

Unite, we're never letting go
From London to Tokyo
Tonight turn up the radio
Sing oh, oh, oh, oh, oh
Unite, we're never letting go
From London to Tokyo
Tonight turn up the radio
Sing oh, oh, oh, oh, oh

We're gonna be alright
Let's stick together
We're gonna be okay
We'll live forever
We're gonna be alright
Let's stick together
We're gonna be okay
We'll live forever
