

# Waiting For The Sun

## Bars and Melody

Maybe I wasn't ready  
And maybe you didn't know  
The nights seemed lit but my days were dark  
And my pain wouldn't show

I wanna hold her  
I wanna see her  
I promised her that I would never leave her  
When my eyes close  
You're on my mind though  
When I'm with you I don't know where the time goes  
Come and hold me I'm feeling lonely  
So beautiful I don't know why you chose me  
Can I stay here? Can I fade here?

I don't know why  
We've been holding so tight  
Life's been passing us by

Oh tonight, I think we'll be alright  
Waiting for the sun  
Waiting for the sun  
Oh tonight, I think we'll be alright  
Waiting for the sun  
Waiting for the sun  
Waiting for the sun  
Oh tonight, I think we'll be alright  
Waiting for the sun  
Waiting for the sun

Waiting for the sun

Oh tonight, I think we'll be alright  
Waiting for the sun  
Waiting for the sun

Feel me breathing I'm not leaving  
Faint sighs as we stare into  
The ceiling  
I'm okay now  
Can you stay now?  
Feel so below looking for a way out  
I hear you calling in the morning  
I open up my arms and you fall in  
If we stay here, we could fade here

I don't know why  
We've been holding so tight  
Life's been passing us by

Oh tonight, I think we'll be alright  
Waiting for the sun  
Waiting for the sun  
Waiting for the sun  
Oh tonight, I think we'll be alright  
Waiting for the sun  
Waiting for the sun

Waiting for the sun

Oh tonight, I think we'll be alright  
Waiting for the sun  
Waiting for the sun  
Waiting for the sun

We will be alright all night let me know  
Would you be when I'm blind my guide  
Do you wanna sit with me 'til sunrise  
Tonight we can fall, sit with me 'til sunrise

Oh tonight, I think we'll be alright  
Waiting for the sun  
Waiting for the sun  
Waiting for the sun

We will be alright all night let me know  
Would you be when I'm blind my guide  
Do you wanna sit with me 'til sunrise  
Tonight we can fall, sit with me 'til sunrise

Waiting for the sun
