Wild thoughts

Bars and Melody

I don't know if you can take it
Know you wanna see me nakey, nakey, naked
I wanna be your baby, baby, baby
Spinning and it's wet just like it came from Maytag

White girl wasted on that brown liquor
When I get like this I can't be around you
I'm too lit to dim down a notch
'Cause I could name some thangs that I'm gon' do

Wild, wild, wild
Wild, wild, wild thoughts
Wild, wild, wild
When I'm with you, all I get is wild thoughts
Wild, wild, wild
When I'm with you, all I get is wild thoughts

You're inside my head like a bad dream
Your body is like a movie I haven't seen
Your eyes are my jug
My heart gives up on beating
Every time that we leave each other
Dread to see you leavin'
Even if it takes a night
I'll be coming with you
There's no more limits, girl
To the things we can do
Girl, me and you
They will never see us coming
Maybe moving too slow
When they hit the ground runnin'
Something gotta holdin' me
Yo, your body your blessing
Something got controllin' me
And I don't wanna be messing
With your emotions
Because we havin' fun, yeah
And I ain't no called
This no what they want, yeah
Let me play the guitar like alas
There ain't nothing to control these wild thoughts
When I'm with you, all I get is wild thoughts

I heard that love is for the taking
I heard it got these other people goin' crazy
Yeah I treat you like a lady, lady
Love you 'til you're burned out, cremation
Make it cream, yeah, Wu-Tang
Throw that ass back, bouquet
Call me and I can get it juicy
I can tell you're gone off the D'usse
Careful mama what would you say
You talking to me like you new bae
Girl, talking like you tryna do things
Now that party got her running like she Usain, baby
You made me drown in it, oh touche, baby
I'm carrying that water, Bobby Boucher, baby

You know I'mma slaughter like I'm Jason
Bust it, why you got it on safety?

White girl wasted on brown liquor
I probably shouldn't be around you
'Cause you get wild, wild, wild
You looking like there's nothing that you won't do
And, girl that's when I told you

When I'm with you, all I get is wild thoughts
Wild, wild, wild
Wild, wild, wild thoughts
Wild, wild, wild
When I'm with you, all I get is wild thoughts
Wild, wild, wild
When I'm with you, all I get is wild thoughts

The blur of the motion
As you dance in the night (Yeah)
And, no, we didn't make it far
But we put up a fight
Under the heat of the lights
We are bound to ignite (Fire)
I know it took a while
But least we're doing it right (Yeah)
Ain't no car in the world fast enough
To keep up with you (Right)
Hold up, scared
I'll be coming with you
When I'm with you, all I get is wild thoughts
