

Bang Your Mom

Bart Baker

Mother mother your mum is a hottie
Boner boner that is what she gives to me
I need your mama, I need your mama, I need your mother
I make her feel so good while we're under the covers

Your mother need a Nympho someone like me
Someone who can please her sexually
I hope you don't get mad, bro, but I figured
I might as well come clean

She's so god damn fine
I'm gonna bang your mum
Spread her legs so wide
I'm gonna bang your mum
I hope you don't mind
I'm gonna bang your mum
Bang your mum
Bang your mum
Bang your mum
Bang your mum

She's so god damn fine
I'm gonna bang your mum
Spread her legs so wide
I'm gonna bang your mum
I hope you don't mind
I'm gonna bang your mum
Bang your mum
Bang your mum
Bang your mum
Bang your mum

Boy, I'm gonna do her right
Baby, we'll leave it 69
If she scream if she cries
Cover your ears and you'll be fine

Your mother need a Nympho someone like me
Someone who can please her sexually
I hope you don't get mad, bro, but I figured
I might as well come clean

She's so god damn fine
I'm gonna bang your mum
Spread her legs so wide
I'm gonna bang your mum
I hope you don't mind
I'm gonna bang your mum
Bang your mum
Bang your mum
Bang your mum
Bang your mum
