

## Esskeetit Parody

Bart Baker

Always doin' drugs esskeetit (ESSKEETIT)  
Cannot stand up straight lightheaded  
Got a team of paramedics (ESSKEETIT)  
Because I OD every minute  
Poppin' on X  
Then I have sex with my Rolls Royce grille  
Brain on retard  
Listen up kids  
Wanna be cool? Pop pills!

My whole body numb esskeetit (ESSKEETIT)  
Fall flat on my face head dented  
I was supposed to hear a helmet  
My brain made of styrofoam pellets  
All my lyrics stupid as shit  
I wrote them blacked out  
Woah I feel sick  
Time to puke

He has no pulse!  
Clear!

Owwww  
Back to life to further ruin music  
And to make more kids teenage drug addicts  
I be snortin' crack off my grandma's tit  
Got a weird Granny and Auntie fetish  
And my urine 90 percent lean  
Pee in my mouth das recycling  
And my dog is smarter than me  
That's why I crash cars into trees

Pipes on pipes on pipes  
I just smoked a buttload of ice  
Downing laxatives like Bud Light  
Das why I'm rocking this diap  
I'm a drugged baby das right

Do somersaults in the grass then vomit  
Suck down 30 xans and then pass out on it  
Wake up in Aunty's lap she clean my ass with Comet  
Breast feed from my Gran' in my new Gucci bonnet

Drug free gang is going dyslexic  
Who wants free drugs gang? Come get it!  
Fill my ba ba with unleaded  
Why won't this fit? I don't get it!

Smokin' on meth, smokin' on meth  
Lil Pump almost dead  
My teeth in pain  
I need cocaine  
Got my braces tightened  
I jork okk oo grider esskatet  
Farh in ma way ekkatit  
He can't even form a sentence!  
Iwah dooin' sip gostetitt

Ahh bahh jo hep  
Ahh bahh jo hep blappp

He's paralyzed!  
I think he's died!  
He needs life support stat!

Only wear designer esskeetit  
Hopping out the Wraith esskeetit  
Smashing on your bitch esskeetit  
Running up a check with no limit  
Poppin' on X  
Poppin' on X  
Poppin' on X pills  
Got a new car  
Got a new bitch  
And I got a new deal
