

## Focus Parody

Bart Baker

Hey  
I put on a real short skirt  
To show off my long legs  
I'm bent over showing my ass  
Posing in different shapes  
Attention must always be on me  
I'm where the spotlight should always be  
And that's why I've got seven pounds  
Of make-up on my face  
My voice is higher than a whistle for dogs  
That's why you can't tell what I'm saying at all  
It sounds like gibberish writing words was a waste  
But it doesn't matter cause I look great

You can't see me  
I'm the guy who's screaming  
Who is that yelling?  
It's distracting from me!  
Ew!  
Everybody  
Stop it!  
Thinks this song is saying  
Shut him up please!  
Fuck a zombie  
That's sick  
Fuck fuck fuck a zombie  
I am ready

Nowadays the media  
Is so obsessed with trans  
The best way to get coverage  
Is to have been a man  
I'm getting sick of this Caitlin shit  
Taking away my newsworthiness  
Wait that gives me a good idea  
An awesome brillilant plan  
I'll lose the skirt and pull my hair to the back  
Then stuff my crotch and put on a fake mustache  
I'll leak a photo online to TMZ  
And all attention will be back on me

Stop that lickin'  
Stop that donut lickin'  
Ew!  
Who could eat these?  
They are so fattening  
Ew!  
Americans  
What's this?  
Are gross and disgusting  
How dare Grande!  
She can't say that bullshit about this great country  
That girl will pay!

I'm here to deport that Mexican girl now  
For things she said putting Amercians down!  
You can't deport me and I'm not Mexican

Get off of me you stupid racist pig!  
Ew!

I'm Bill Cosby  
That awful voice was me  
I've got something  
That you should be drinking  
Get lost Cosby, you're sick  
Now we must be leaving  
Not so fast Trump  
This chick is coming home with me  
I don't think so!
