

# FourFiveSeconds Parody

Bart Baker

My jacket's open wide  
my boobs are barely inside  
I look like I'm on crack  
that's Paul McCartney's back  
he's like eighty-seven  
they say he's a legend  
he's bout four five minutes from dyin  
but Kanye and I keep him drugged and smilin  
so he would do this dumb song all about wildin  
What the hell does that word even mean?  
Calm down Paul eat your pills  
Woke up and took a crap  
grabbed a mic and recorded that  
then threw turkey noises in back  
that's how I made this genius track  
Ye your dance moves are embarrassin  
They not half as bad as my singin  
Isn't it weird we're all wearing denim?  
No its not weird  
cos this vidio's s'posed to look like an old Gap ad  
Why is your face so drenched in sweat?  
Kanye you look live you've been swimmin  
You'd sweat too if you if you had a wife  
like Kim Kardashian  
What's that supposed to mean?  
Why'd you bring your step dad along?  
We thought this vid needed more women  
Wait! are you my mom now?  
Bitches this is my video  
and you ain't gon be in it!  
I wish they wouldn't fight  
they should control their rage  
Oh but you think it's alright  
to jump up at me onstage  
Yeah that's cuz you ain't no real artist  
I am a real artist  
Hell no!  
Only real artists is me and Beyonce  
Ya big head narcissist!  
I'm bout four five second from wildin  
You both have been saying that since the beginning  
this song has been going on for like 3 minutes  
so let's see it  
stop spitting this bullshit  
and wild, pussies!  
That's it man  
You hit Paul's nurse  
and sent pills flying  
Quick put them in his mouth before he gets violent  
Too late why the hell am I on this set with Kanye West?  
You'll pay for drugging me up Kanye!  
I'm bout to wild out!  
Now that's how you really wild out  
Beetles style bitches
