

Gucci Gang Parody

Bart Baker

Poopy brain, poopy brain, poopy brain, poopy brain, poopy brain, poopy brain
, poopy brain
Mentally 56K
Lyrically in 3rd grade
Try to act hard but I'm a huge fake
That's why I point guns at my face
I'm the jizz stain of the rap game
Poopy brain, poopy brain, poopy brain

Poopy brain, poopy brain, poopy brain, poopy brain, poopy brain, poopy brain
, poopy brain
Spent 10 racks on my brace face
So baked don't know my race
On so much xan I forgot my name
This a mop dipped in Kool-Aid
I use lean for my toothpaste
Poopy brain, poopy brain, poopy brain

My music for people who
Fail out of lunch at their high school
I got dropped on my head at 2
Still don't know how to tie shoes
My mop dreads look like Gummy Worms
That's why my hair be full of birds
I'm the type of dude who try to drown a fish
I wash my hands then I take a shit

Lil Pump handicapped mentally
I think 3 plus 3 equal 33
Addicted to xanny at 17
My rap skills more trash than Tara Reid
I'm the type of dude who thinks a wet dream
Is when you fall asleep in a stream
Soulja Boy Einstein compared to me
I look up and down when I cross the street

Poopy brain, poopy brain, poopy brain, poopy brain, poopy brain, poopy brain
, poopy brain
I just repeat the same thing
All my songs are this lame
Did you know that I say Gucci Gang
50 times in this mindless song man?
This is how I got my name
Poopy brain, poopy brain, poopy brain

Poopy brain, poopy brain, poopy brain, poopy brain, poopy brain, poopy brain
, poopy brain

Hands up Pump you're going away
I'm undercover DEA
All the kids OD'ed on purple drank
Drop the weed and lean or I will tase
Do you have anything to say?

Poopy brain, poopy brain, poopy brain...
