

Justin Bieber

Bart Baker

I can do no wrong
Pop the pill and now it's on
I'm untouchable feeling Justin Bieber
Money super long
Platinum every single song
I'm untouchable feeling Justin Bieber
Justin Bieber
Justin Bieber
I'm untouchable feeling Justin Bieber
I can do no wrong
Pop the pill and now it's on
I'm untouchable feeling Justin Bieber

I am invincible
Only me, you are invisible
Can't you see
This energy will blow your mind, yeah
And I don't even have to try, yeah

Bigger than Jesus, you can't deny it
Fresher than Yeesus, yeah I'm so swaggy

I could bring the gay into a dude

I can do no wrong
Pop the pill and now it's on
I'm untouchable feeling Justin Bieber
Money super long
Platinum every single song
I'm untouchable feeling Justin Bieber
Justin Bieber
Justin Bieber
I'm untouchable feeling Justin Bieber
I can do no wrong
Pop the pill and now it's on
I'm untouchable feeling Justin Bieber
Justin Bieber
Bieber
Bi-Bi-Bieber
I'm untouchable feeling Justin Bieber
