Dat's a Kimye

Is it Monday or is it Wednesday?  
I don't know, all I know is dat's a Kimye  
Leave that chick alone, that's what my friends say  
Cause she dumb and she numb just like Ben Gay  
Got a big ass booty like Kim K  
Got an ego that giant like Andre  
She might make a million dollars on a Friday  
But she never smile face on Kanye  
Spent \$20.000 on some ass shots  
What?  
And another \$30.000 on some botox  
Damn!  
But she still got money left for Gucci socks  
And her favorite DVD is Robocop  
No, it's not  
How she make her waist so thin?  
Photoshop!  
How she get that perfect skin?  
Photoshop!  
Singin' girl  
She says it's real, but I know it's not  
No!  
Met her naked wit no makeup up in equinox

What is that?!  
Dat's a Kimye  
Got a booty super fat and a slim waist  
Got an ego so big, it'll make you sick  
If she don't get what she want, she gon throw a fit

Is that Kanye or is that Kim K?  
Man hell no!  
Dat's a Kimye  
Acting childish when she don't get her way?  
Got a gay fish, tattted on her left waist  
Ass fat enough to sit a TV on  
And she never leave the crib without her yeezys on  
When she fart, sounds just like a pipe bomb  
Better check her pants spray some febreezy on  
I think she gotta goatee  
Grumpy like an old man, she an OG  
I think her booty got a slow leak  
Good thing she put insurance on booth cheeks  
Season 4, yeezy on the runway

Booty left behind, that's a runaway  
Wanted me to smack the cherry off her sundae  
But 4 real I had to curb that, I ain't Ray J
