

# Lips Are Moving Parody

Bart Baker

My new single has  
The exact same beat as  
"All About That Bass" had  
It's just a bit faster

And this video's trash  
It is just a rehash  
Of the vid for that smash  
It's just not quite as good

I feel dizzy from paint fume  
Can't he spray paint this in a different room  
Meghan this production wraps at noon  
So just sing your stupid tune  
They're doing these extreme close-ups of my lips  
It's guaranteed to make you squeamish  
These sets were made by a little kid  
That's why they look like shit

In my last song I attacked women with skinny thighs  
And mocked them for their size  
Now in this song I say all men ever do is lie

You're not nice

This video  
Is just a commercial  
For this new HP tablet  
They gave me cash  
Millions of dollars  
To pretend I use this piece of shit

I didn't spend  
Much on production  
That's why this video looks so cheap  
My fame and success  
Might not last much longer  
So that cash I'm gonna keep

To drive online traffic  
In key demographics  
We should use this tactic  
Fill this vid with webstars

The fans are devoted  
They will promote it

Wait a second hold it  
Is that why we're here Bart?

Every time a man makes a sound  
He's definitely lying  
Whoa! Hey! That's a generalization  
You're men so your both lying

Meghan it's not fair to say that all men lie lie lie  
Some are naughty, some are nice

Here's my naughty and nice list  
Some are good guys  
You're a man so you lie

Santa is dead  
He was killed by Meghan  
But Christmas must still go on  
Since you killed him  
You must replace him  
Put on this Santa suit and be gone

I have a plan  
To get my revenge  
On all the stupid men and boys  
It's the perfect gift  
For everyone of them  
Much better than Christmas toys

[Dad:] Well what do we have here Timmy, looks like you got a present from Santa Claus

[Son:] Ooh gimme gimme.....What the fuck? An HP? THAT BASTARD GOT ME AN HP.  
AH I WANTED AN iPad. CHRISTMAS IS RUINED

[Dad:] Oh we are

[Mom:] Really Brad, you got him an HP?

[Dad:] I didn't get that OK? I-

[Mom:] I want a divorce, merry Christmas asshole

[Dad:] Honey! No wait! I didn't do it! It wasn't me it was.. Who did get that?
