

# Pillowtalk Parody

Bart Baker

I am free  
I'm free from One Direction  
free to make  
songs about my erection  
I dyed my hair blonde and I'm wearing leather  
I do what I want  
unlike back when  
One Direction was still together  
I just don't give a fuck  
see I did not shave  
I look like I might be stoned too  
Did you notice I cussed?  
This is the new Zayn!  
We've got to stop him  
Yes we do!  
I made a song about sex!  
and the vid's getting more views  
than most 1D vids do  
What's up with these effects?  
Whoever's editing this is on something  
Is that a bouquet?  
And what's with your spike face?  
Why don't you have clothes on?  
Whoever made this is a moron  
I just can't believe  
Zayn made a sex song  
I'm adult  
and now that I have proved it  
if I want  
to do something I'll do it  
I'll stay up all night watching the TV  
It's past 1AM!  
Who's that hot chick?  
He's watching an R-rated movie!  
Now that I'm an adult I'm going to vape  
I even got a face tattoo  
I can't believe Zayn did this  
he was from a pop boy band  
now he acts like a grown man  
And he's got a huge hit  
I guess it can pay off to be an adult  
Maybe we should grow up  
do all that grown up stuff  
I say yes what the heck  
just wait til Zayn see what 1D do next  
Maybe we all could  
even try having sex

We're 4 boys being bad  
gonna stay up late gonna play grab ass  
we got guns  
drugs  
and face tats  
We're grown up being bad!

I don't understand why isn't our video blowing up like Zayn's?  
Everybody hates it! We're losing all our fans!

We're grown up being bad!

Wow! You guys are real fuckin idiots, oh by the way  
This isn't a real tattoo, 1D more like dumb D

We're grown up being bad!

We're grown up being bad!
