

Pussies

Bart Baker

I really love cats cats pussies on my brain
Hang out with them everyday
Give them nip nip and they go wild
Cat pussies like these are hard to come by
Get it on on with them on my lawn
When the claw my ass it turns me on
I See two, three, I think that I'm stiff!
I got one on my shoulder and one on my hip

They are my lords, lords
I worship cats
They make my sword sword
Rise in my pants
When I get bored bored
I grind their backs
I inhale hard hard
When they pass gas

Pussies they drive me wild
Lick one and you will smile
They make my rocket rise
Got one between my thighs

Meow meow meow meow

Pussies they drive you wild
Lick one and you will smile
Meow meow meow meow
They make my rocket fly
Cats up
I wish I could fuck all of em'
I wish I could fuck all of em'

Stroking my pussy on a roof, they love that
Watching them when they make doo doo, is so rad
Cats fuck who they want
And fuck who they like
Hope that I can fuck one tonight
Eating pussy in my yard
Meow meow meow meow meow meow meow

Now everybody let me hear you say meow meow meow
Meow meow meow meow meow meow meow meow meow meow
Got puss on my head
Got puss on my feet
My name is Palmer, and I love pussy

They are my lords, lords
I worship cats
I inhale hard hard
When they pass gas

Pussies they drive me wild
Lick one and you will smile
They make my rocket rise
Got one between my thighs

Meow meow meow meow

Pussies they drive you wild
Lick one and you will smile
Meow meow meow meow
They make my rocket fly
Cats up
I wish I could fuck all of em'
I wish I could fuck all of em'
I wish I could fuck all of em'
