

Senior Citizen Love

Bart Baker

Went from Mr.305
To a horny old Asian guy!
I'm horny and I'm old
So Horny and so old
Heading to the senior home
To get me some senior dome!

Can't touch me boy
I might be old, but I still be getting blown for sure!
Don't test me boy
Cuz' I'm hung like a horse for sure!
Senior sex to the death of me
Oil my body and I'm ready for the old folks home orgy
We're going down, it's time to tap ass
Take your teeth out baby and get on your knees

They're going down on each other like I've never seen
So much Viagra and dry humping
Old and wrinkled but they're still horny
Oh-oh-oh-oh
It's senior citizen love!
Oh-oh-oh-oh
It's senior citizen love!

Can't play football, but we have sex everywhere
(Everywhere?) Everywhere!
We got wrinkled skin, and we've got grey pubic hair
(Pubic hair?) Pubic hair!
Most times when we grind our hip pop out
And when we fuck on the wheelchair we need assistance
With Viagra, we can go all night
And some times we get crazy and do some fistin'!
Your Grandma-ma, she be suckin' our tongue
Grandpa Reese, you better sit, he's licking some feet!
Us seniors are crazy, I ain't gonna lie
There's nothing like old people in heat

They're going down on each other like I've never seen
So much Viagra and dry humping
Old and wrinkled but they're still horny
Oh-oh-oh-oh
It's senior citizen love!
Oh-oh-oh-oh
It's senior citizen love!
