

Side To Side Parody

Bart Baker

I've had so much sex
I cannot walk straight
And that's why I'm walking side to side

My boyfriend is big and I've got very small tiny body he's hung
like a horse and I'm like a jockey and I spend all my free tim
e riding and that's the reason I'm walking like my legs are mad
e of rubber
She's been playing too much hide the cucumber
That poor girl her condition's frightening

My friends say "you have sex too much!"
I think they're just jealous
No we're worried you'll die!

No I won't I'm fine
Ooh time to get laid!
My God she's never satisfied! (satisfied)
Were you in a fight?
No I just got banged so hard
I bounced off the bed four times

There's a new law
I have to feature on every singe X-rated sex song
And show off my big fat jiggly bum
While I sing and rap lyrics full of dumb sex puns

Ariana's body's itsy-bitsy got lots of meat on my bones Ariana'
s too skinny that's why she keeps having sex injuries huh... sh
e'd have no problem if she got a fake ass like me big booty bou
ncing on any dude who do me two thick that fat pillows provide
backside protection to me get tough having sex ain't kid stuff
this ain't "Sam and Cat" or that crap "Victorious"

My friends said I have sex too much that I should learn mouth s
tuff so I gave that a try

Lost sight in this eye
Broke both of my legs
And now he got me rolling side to side (side to side)
I fractured my spine
And cracked my pelvis
Now from the waist down I'm paralyzed (paralyzed)

Shouldn't you be in a hospital bed?
The doctor said meet him here instead
Let's see now well the news isn't great
You've have too much sex we'll have to amputate!
