

White Negro

Bart Baker

I'm a black man
You don't get it do ya
I paint my face white
Because I wanna fool ya

Go to brown town, talkin' South Central bitch
The 5-0 love me like I'm Justin Beiber
No matter what I do I don't get in trouble dude
Dealing crack, or pissing on the cops roof
White face when they see me they always say
"You ain't' black, why the fuck would we arrest you?"
How you feel, How you feel, How you feel?
I just robbed a bank and I'm still not in jail!
I'm in public exposing myself. Every day, all day
And I still get away

This is how I steal, This is also how I deal
Just put on my white boy shorts and my fake white boy hair
As long as these cops are racist as hell
I can guarantee you, I won't go to jail

White Nero what's up?

White as an albino
Can't tell I'm a Negro?
No matter what I do
All the Five-0
They let me go

I Put on my white face
White face
White face
When I'm breaking lots of laws
I put on my white face
White face
White face
Please don't tell the KKK

Can't see me cause the color in the way

White Negro, what's up? Ah ah!

White Negro, what's up? Ah ah!

White as an albino
Can't tell I'm a Negro?
No matter what I do
All the Five-0
They let me go

Put on my white face
White face
White face
When I'm breaking lots of laws
I put on my white face
White face
White face

Please don't tell the KKK

Can't see me cause the color in the way

White Negro, what's up? Ah ah!

White Negro, what's up? Ah ah!

Ah ah!
