

Forever

Bart Crow

I can take what I feel
Cause I know its real
And I know I love you
And you came in my world
And showed me what's real
And I know my heart is yours to hold

Cause you, you gave me hope
And you, you showed me you cared
And you said I was your best friend
Then you told me you'd love me forever

So here
Please take my hand

Cause you are my heart
And I wanna give it to you
Cause I wanna lay by your side the rest of my life
Today will you please be my wife will you

Cause you, you gave me hope
And you showed me you cared
And you said I was your best friend
Then you told me you'd love me forever
Yeah you told me you'd love me forever

Cause you, you gave me hope
And you showed me you cared
And you said I was your best friend
Then you told me you'd love me forever
Yeah you told me you'd love me forever
