

Roses

Bart Crow

Well I woke up early this morning to find out you had gone
I don't know why you had to leave the brown eyes girl they're g
one
You told me you would be there for me, you promised you would n
ever leave
All I know is I woke up to find you gone, to find you gone

Don't be mad at me if I call you late at night
Don't be mad at me if I ask your friends if you are alright
Don't be mad at me if I cried all night 'til 4
Don't be mad if I leave roses on your door, roses on your door

From the moment I met you girl you know you stole my heart
Then you had to pack your things, my whole worlds falling apart
You told me I was too damn good said that you were misunderstoo
d
Why don't you explain that to my heart, to my broken heart

Don't be mad at me if I call you late at night
Don't be mad at me if I ask your friends if you are alright
Don't be mad at me if I cried all night 'til 4
Don't be mad if I leave roses on your door, roses on your door

Don't be mad at me if I call you late at night
Don't be mad at me if I show up to your party drunk looking for
a fight
Don't be mad at me if your friends say I cried all night 'til 4
Don't be mad if I leave roses on your door, roses on your door
