

Satisfied Heart

Bart Crow

It was early summer and spring retreats from the air
We were just two kids in love but one of us just didn't care
We started out easy time seemed to fly by fast
And I grew me a heart of stone we both knew that it wouldn't last

And I've got to tell you that I'm sorry
So that redemption can find my heart
Everything I ever did to hurt you
It still haunts me it won't let me have a satisfied heart

You were the always the one who said that we could make it far
But its hard to be in love with a heart holdin' all of these scars
So I drug you through my hell a deep cold dark well
And you deserve every dream you had from your pennies in a wish
in well
Yeah your pennies in a wishin well

And I've got to tell you that I'm sorry
So that redemption can find my heart
Everything I ever did to hurt you
It still haunts me it won't let me have a satisfied heart

And I've got to tell you that I'm sorry
So that redemption can find my heart
Everything I ever did to hurt you
It still haunts me it won't let me have a satisfied heart
