

Stained Your Crown

Bart Crow

There's a chill in the air
I think you're leaving tonight
I think I could be wrong
But I know that I'm right
'Cause when you push too hard
Your baby's going away
And then you're left with the feelings
And words you didn't say

Whatever happened to
All of our 'i love you's
We swore forever
Yeah we swore forever
I'm sorry I let you down
I'm sorry I stained your crown
I never meant to break your heart
When I tore it all apart
Give me chance for a brand new start
Forever

I don't know where to go
I've never been here before
So long baby
You've been my girl
Now that I've let you down
And now that I stained your crown
Can you find it in your heart
To let your man come back around

But whatever happened to
All of our 'i love you's
We swore forever
Yeah we swore forever
I'm sorry I let you down
I'm sorry I stained your crown
I never meant to break your heart
When I tore it all apart
Give me chance for a brand new start
Forever
Forever

'Cause you said forever too
I never thought that I'd need from you
I never thought that my mind would break
I never thought there was something that we couldn't take

But whatever happened to
All of our 'i love you's
We swore forever
Yeah you swore forever
I'm sorry I let you down
I'm sorry I stained your crown
I never meant to break your heart
When I tore it all apart
Give me chance for a brand new start
Forever
Forever

Forever
