I carry my flaws, I can't get them off me
I can pay the cost, I been running off-speed
Living double time, I ain't talking coffee
Just a minute and
That be proving costly

Dealing with your hand, that's courage
Ain't no way to press "Fast forward"
Funny how you bend that far
I ain't think you'd be that forward

I got my hand in the pie
Pie
Still got a hand up my sleeve
Sleeve
I got my head to the sky
Sky
Still got the ground at my feet
Feet

Down the bowl from the cherry top
'Round we go like the helicopter
'Round we go like the helicopter
'Round we go like the-

Guess it's a fault of mine
You done cross my mind like a million times through
You Shibuya Crossing, we should do this often
I should stop fronting, it get too exhausting

That's a hot button
Life's lessons
I know I lost you for a hot second
My only hope is you supply seconds

Down the bowl from the cherry top
'Round we go like the helicopter
'Round we go like the helicopter
'Round we go like the-
