Fly to Japan, seen a panda like Desiigner
Fly out to London, the drugs was like designer
Fly out to France, bought some pants that was designer
Did that by designer
Did that by designin'

'Cause I'm a star, dodgin; ' bitches like they be comets
Or they be comics, or read comics
Way too often ain't no hero, let me honest
Get a cake made, can never overstate
I'm dedicated to my pay-grade, I'm heavy going eighth
They play it safe it safe so they never afraid
But my fears make me great
Make me feel alive, levitate
Let you bear the weight of how I feel inside
Let the pain go, I choose to move freely
Let my wings grow, I'm movin' too freely
See, this game, it'll ruin dudes easy
Platinum chain, but the ego grows easy

Fly to Japan, seen a panda like Desiigner
Fly out to London, the drugs was like designer
Fly out to France, bought some pants that was designer
Did that by designer
Did that by designin'

Be faithful, it's harder to say it
I don't know how else to say it
The wonders of all the mosaics
I don't know I could put it

Slim chance, I gotta straight croock
Like I trace edges, let my pace tell it
I shine like the cave dwellings on their first day smelling pine
Happy Earth Day, you heard, the world is mine
And don't it show?
And nigga hate to brag but it show
I been out collectin' bags 'cause the tape a slassic
Told myself I would make it happen

Fly to Japan, seen a panda like Desiigner
Fly out to London, the drugs was like designer
Fly out to France, bought some pants that was designer
