

Girl get your head right  
You best get your head right  
You make sure my home good  
I make sure your neck bright  
You text me you wanna be next to me  
I book you the ticket right next to me  
Girl, you could pick up this check with (flex)

This for all time, you can't blame the summer, girl  
Get your head right  
This for all the time, you can't blame the summer, girl  
Get your head right  
Oh, girl, you gotta get your head right (girl)  
Oh, girl, you gotta get your head right

All my niggas high as hell and blunted  
Bought m bitch the YSL she wanted  
Nigga, Mom Dukes wanna trip to Dubai  
I'ma get her everything she wanted  
I'ma do this shit the way I wanna  
Cube hard to them California days  
Remember hoes I had to motivate  
Now they see Sun, like the water breakin'  
They get to count my dough but you got your own  
You the star of the show  
We do it big, going hard on the road  
But you got my heart on a rope  
You invaded my conscience  
I'm a dog, but not much of a bark  
You smart, you taking precautions  
Shit, I knew from the start

This for all time, you can't blame the summer, girl  
Get your head right  
This for all the time, you can't blame the summer, girl  
Get your head right  
Oh, girl, you gotta get your head right (girl)  
Oh, girl, you gotta get your head right
