

# Spaceships + Rockets

Bas

Iconic, I got it, all the way facts (it's all the way)  
Blue tonic, James Harden, hit 'em with the step back (tell the bitch step back)  
Irony, take a mixer, bring a heart away back, it was harder way back  
Niggas harbor hate, hatin' niggas hard to hate back  
New bitch, new flows, nigga, automate that  
All the way black like Sudan in the summer  
Hundred bands in the belt, I ain't dancing for nothing  
I got hands on the button, nigga push me  
Laying in the lands of my ancestry  
Sand in my hair and the beach next to me  
Nigga, please step to me  
Have to son these niggas, have to run these niggas  
Had to cut some off like a vasectomy  
When the beat get to me make it reset  
Moma+guy met this shawty at your party  
She was almost like purified water, rurified air  
I could die in her arms and be mummified there  
Verified facts what I speak then, you should peep them  
Certified packs when I chief them

We lit, we lit  
We lit, we lit (yeah)  
We lit, we lit  
We lit, we lit (yeah)

All these spaceships and rockets (ahhh)  
Got me feelin' high (ahhh)  
On my spaceship I'm rockin' (ahhh)  
Fall into the sky (ahhh)

We lit, we lit (ahhh)  
Fly high like I'm NASA (ahhh)  
Move my hips like a salsa (ahhh)  
I'm like butter on a lobster (ahhh)  
We lit, we lit (ahhh)  
Got me singin' like I'm Chaka (ahhh)  
Moonwalking in mi casa (ahhh)  
Young queen Cleopatra (ahhh)

We lit, we lit  
We lit, we lit (yeah)  
We lit, we lit  
We lit, we lit (yeah)

We lit, we lit  
Can't go with my rasta  
Merengue with the lobster  
We eatin fishes with the pasta  
We lit, we lit (ahhh)  
Been feelin' like a popstar (ahhh)  
Having dreams I'm a rockstar (rockstar, rockstar ahhh)  
The young king with the rap star (ahhh)

We lit, we lit (yeeaaaaah)  
We lit, we lit (yeah)  
We lit, we lit (yeah, yeah)

We lit, we lit (yeah)

All these spaceships and rockets (ahhh)  
Got me feelin' high (ahhh)  
On my spaceship I'm rockin' (ahhh)  
Fall into the sky (ahhh)
