You see the drop top, bitch, stop playin' with me

I'm on the way, send me the addy  
I'm on the Jackie  
Five on the belt, ten on the jacket  
You gotta have me  
It's been a day, I don't wanna wait no more  
Why the fuck are we waitin'? I don't wanna wait no more  
I know a couple niggas had you  
I ain't trippin', they ain't fuckin' with me  
Know niggas on your block aggie  
But them niggas don't mean nothin' to me  
Hopped out, double parked, all them niggas watchin'  
Copped a rubber from the ahk  
Hit your crib and got it poppin', eeh

You see the drop top, bitch, stop playin' with me  
You see the drop top, bitch, stop playin' with me  
She said she gonna let the waves splash down on me  
She said she gonna let the waves splash down on me  
You see the drop top, bitch, stop playin' with me  
You see the drop top, bitch, stop playin' with me  
She said she gonna let the waves splash down on me

She saw me, that's why her nigga re-routed  
I'm a rich nigga, no, I ain't clouted  
Lovable, I'm a young and I'm bossed up  
It's a difference, don't let it get crossed out  
I was seventeen comin' through poor stuff  
Now it's Bentley truck, AMG, more stuff  
She a dime so her DM be crowded  
Now she fuckin' Lil T yeah he stylish  
Ain't gon' say that lil' bitch ain't got mileage  
But we ain't challenged, it ain't no challenge like, yeah  
You see the drop top, bitch, stop playin' with me  
You see the drop top, bitch, stop playin' with me

I'm lettin' you know, I gotta stay down on the road  
I'm lettin' you know, she gotta lock down while I'm gone  
We don't do average shit, I got a magic stick, can't you see?  
Whole lot of lavish shit, used to not havin' shit, no, no, no  
Slide in that bitch with my Gucci's on, just tryna stay out the way  
Money get made when I sleep, I don't get nothin' for free  
I had some Dior slippers, I don't know what I did with 'em  
Bret Hart when I'm sharpshootin'  
I applied for them M's and you know I got 'em

You see the drop top, bitch, stop playin' with me  
You see the drop top, bitch, stop playin' with me  
She said she gonna let the waves splash down on me  
She said she gonna let the waves splash down on me

You see the drop top, bitch, stop playin' with me  
She said she gonna let the waves splash down on me
