I'll tell you how my day has been How the sun has caught my face How I lull myself to sleep Waving shadows on my face

Chasing dreams that just passed by Broken dreams, I'm just too late Chasing dreams that just passed by Broken dreams, I'm just too late

Chasing dreams, chasing dreams, chasing dreams
Chasing..... chasing broken dreams
Chasing dreams, chasing dreams, chasing dreams
Chasing..... (oh oh) chasing broken dreams

Chasing dreams that just passed by Broken dreams, I'm just too late Chasing dreams that just passed by Broken dreams, I'm just too late

Chasing dreams, chasing dreams, chasing dreams
Chasing.....chasing broken dreams
Chasing dreams, chasing dreams, chasing dreams
Chasing...... (oh oh) chasing broken dreams

Broken dreams
