

She's a funky feline machine  
Crazy cat inside your dream  
Shes's a honey, she stings like a bee  
You're the punk and she's the queen  
She's an angel, she's a dove  
With a taste for villians blood  
Packin heat, struttin on the street  
Chew you up and make you meat  
Sexy feline machine  
You can't stop her  
Ya-ya-ya-ya  
Sexy feline machine  
You can't stop her  
Ya-ya-ya-ya  
She's a funky feline machine  
Crazy cat inside your dream  
Shes's a honey, she stings like a bee  
You're the punk and she's the queen
