

# She's No Good

Basement Jaxx

You're no good, no good  
You're no good, no good  
You're no good  
You're no good, no good  
All my friends keep telling me, she's no good

Oh, so why do I yearn so, so very much for you?  
Hooked on adrenaline, it's found, known to make me do what I do  
All my friends keep telling me, she's no good  
She's no good, she's no good, she's no good

Oh, I've been through the rain, trying to drive myself sane  
Monday morning's blue phases, get off the train  
Then I see two lovers until they smile into each other's eyes  
And I think

She's no good, she's no good  
She's no good, she's no good  
She's no good, no good  
She's no good, she's no good  
All my friends keep telling me she's no good

I cannot learn all this craziness, you're like glue  
You got me in a guillotine, mayday, what am I gonna do?  
All my friends keep telling me, she's no good

She's no good, she's no good  
She's no good, she's no good  
She's no good, no good  
She's no good, she's no good  
All my friends keep telling me she's no good

I want her back, you know you need her like crack  
I need her so, I cannot, cannot let her go  
And I see two lovers until they smile into each other's eyes  
And I think of you

I'm so good, I'm so good, I'm so good, so, so good  
I'm so good for you and you know it  
I'm so good, I'm so good, I'm so good, so, so good  
I'm so good for you and you know it

Don't see too much right  
Just making it on my own  
What's wrong with me, babe?

She's no good, I ain't taking no more  
It's so, it's so, it's so good, oh baby  
Do I love you so now?  
I don't know, no, no, no, no
