

Day By Day

Basement

I wish I could change the way things are and the way things are
going to be, but I can't and that's hard.
Please say you'll live each day and you won't give in.
I pray it's not too late to start living.
Today I'll say "I'll be fine". Truly I'm scared.

So say a prayer and I'll be there, by your side.
