

Disconnect

Basement

Can I go back to where I started?
Have I been away too long to stop this
Feeling I'm sinking?
I'm feeling I'm sinking
And there's no way to get out
Can you help me out?

My prodigal son, what have you done?
Return while there's something left
My prodigal son, what have you done
To make you feel this disconnect?

I close my eyes as I keep going
Onto this carousel that won't stop moving
I can't see the other side
I can't see the other side
And I'm too scared to get off

My prodigal son, what have you done?
Return while there's something left
My prodigal son, what have you done
To make you feel this disconnect?

(I have lost all my sense of time)
(Lost all my sense of time)
Please do not forget this is what you wanted
(Lost all my sense of time)
Promise me you'll find a way not to feel disconnected
(Lost all my...)

My prodigal son, what have you done?
Return while there's something left
My prodigal son, what have you done
To make you feel this disconnect?
