

Fantasy

Bashy

I'll take you higher

Bashy: Listen, not queuing at the bar, catch me at the table, the reacle walks past, sweeter than maple, piercing in her navel, left school long time ago but got class, everything's tasteful, paris for the weekend, barca on a week day, shopping up at nights-bridge, bidding on ebay, trips to harvendarge just to get a bit of cheesecake, dont have to get the burger, lobster or the beef stake, major, aint got time for a hater, later, all up in my boat like a sailor, do me a favour, fix your face, no make-up, mandem lets never get divided by the paper, stay the same as when we used to chill and play sega, live the dream that why gran come from Jamaica, living life fast, living life large, feet on tha ground but i reach for the stars.

Chorus: wahhoo x4, Let me be your fantasy.
living life fast, living life large
Let me be your fantasy
got my feet on the ground but i reach for the stars.
Let me be your fantasy
living life fast, living life large, hands in the air gonna reach for the stars.
Ill take you higher, Ill take you higher.

Bashy: Let me tell you gwarn what, i am at the IMAX, twinkle im a star, people know who i am, plus i go hard you too be on your ipad, trip in my van, moheatos on the island, white sand, roll the red carpets, look Tony starkish, drop a bolt, if its not positive im not involved, i believe in carma, so the dramas all hollyoaks, plus i got targets, lock and load, champagne flutes, blow it like a whistle, tell a few jokes make everybody giggle, watch the grankids run away from the tickles, throw it on the floor watch the jerk chicken sizzle, everybody siffle, no piggie in the middle, things i dreamed about ever since i was little, living life fast, living life large, feet on the ground but i reach for the stars.

Chorus: wahhoo x4, Let me be your fantasy.
living life fast, living life large
Let me be your fantasy
got my feet on the ground but i reach for the stars.

Let me be your fantasy
living life fast, living life large, hands in the air gonna reach for the stars.
Ill take you higher, Ill take you higher, Ill take you higher
Let me be your....Fantasy
Let me be your fantasy, Fantasy yeah, Fantasy yeah

Ill take you higher.
