

# We Can Do Anything

Bashy

(You can do anything)  
Oiiii  
(You can do anything)  
You know what I think  
(We can do anything)  
I just think life is bare short like  
(We can do anything)  
Don't let it pass you by man, live out your dreams man  
(Naughty Boy presents)

Let me take you on a magical ride  
Nothing 'bout, sit tight eyed and you will be surprised  
Even if you (??)  
You might see the world through my eyes  
We will only have one life, one life  
So don't let it pass you by  
I can do anything, you can do anything  
We can do anything, we can do anything

Look, I'm saying all aboard buckle up  
This is my magical ride, It's not just any old type  
I'm not preaching, this is just a little advise  
Cause once you pass, you die, you're gone, it's eternal  
That's why whatever I think in my mind I take time and scribble it in my journal  
Right now I'm giving you a verbal version of my internal thoughts  
To help those who are down to turn their life full circle  
If you got a dream believe it, if you got a goal achieve it  
Negative energy around you, get rid of it, believe you don't need it

Anythings attainable, don't let anyone tell you you can't  
Oats told me, shoot for the moon if you miss you'll be among the stars  
That's tattooed on his arm, it's instilled in my brain  
If you wanna succeed in life I suggest you all think the same

Let me take you on a magical ride  
Nothing 'bout, sit tight eyed and you will be surprised  
Even if you (??)  
You might see the world through my eyes  
We will only have one life, one life  
So don't let it pass you by  
I can do anything, you can do anything  
We can do anything, we can do anything

Look, look, I know life is demanding  
A vicious daily circle so as soon as you work to the end of it you're right back at the start kid  
Take chances, fight, break away from the restraining harness  
Make an aim then hit your targets and don't stop til you gain an advantage  
Yeah, we're all from the hood but supersede your circumstances  
Life is not everlasting, we're closer to God with every single day that's passing  
Life is a battle, get blasting  
No laughing cause you can't change the future when you're in a casket
