

# How Dare You

Basia

Your voice that sounded soft and sweet  
Your manners knocked me off my feet  
Infatuation made me blind  
Today I know you're someone else  
Than the one, keep in my mind  
So now you think I'm yours  
And you don't have to try  
Seems nothing I do is right

How dare you talk to me like that  
If you're not careful I'll get mad  
How dare you talk to me like that  
Let this be a warning

You made me hope we'd live a dream  
But now you make me want to scream  
Poetic style turned into prose  
This gentleman that once I knew  
I wonder if it was really you  
'Cause now you think I'm yours  
And you don't have to try  
Seems nothing I do is right

How dare you talk to me like that  
If you're not careful I'll get mad  
How dare you talk to me like that  
Let this be a warning to you

Now you think I'm yours  
And you don't have to try  
Seems nothing you do is right

How dare you talk to me like that  
If you're not careful I'll get mad  
How dare you talk to me like that  
Let this be a warning  
Oh let this be a warning to you  
Let this be a warning  
Oh let this be a warning to you  
Let this be a warning

How dare you talk to me like that  
How dare you talk to me like that  
How dare you talk to me like that  
How dare you talk to me like that  
How dare you talk to me like that  
How dare you talk to me like that
