

Entourage

Basic Element

You see me coming down the street and you look at me
'Cause I'm riding in a big fat limousine

refrain:

I tell you what it's like to go entourage
I travel around the world any kind I love
And everywhere I go everyone surround me
They wanna head inside my entourage

I am a star and I look so heavenly
(...) everything's all good for me

refrain (2x)

I tell you what it's like
I travel around the world
And everywhere I go everyone surround me
They wanna head inside my
