

Move Me

Basic Element

Everybody
I want you to do something for me
I want you all to check this out

Move me, make me free
I got everybody with me
Move me, make me free
I got everybody with me

Everybody everybody
Move and groove in dancing yeah with me
Everybody everybody
Move and groove in dancing yeah with me
I got everybody with me
I got everybody with me
Alright alright alright now now

Everybody keep on the good work
And please don't stop dancing
Move me, make me free
I got everybody with me

Everybody everybody
Move and groove in dancing yeah with me
Everybody everybody
Move and groove in dancing yeah with me
I got everybody with me
I got everybody with me
