Move Me

Basic Element

Everybody
I want you to do something for me
I want you all to check this out

Move me, make me free
I got everybody with me
Move me, make me free
I got everybody with me

Everybody everybody

Move and groove in dancing yeah with me
Everybody everybody

Move and groove in dancing yeah with me
I got everybody with me
I got everybody with me
Alright alright now now

Everybody keep on the good work And please don't stop dancing Move me, make me free I got everybody with me

Everybody everybody

Move and groove in dancing yeah with me

Everybody everybody

Move and groove in dancing yeah with me

I got everybody with me

I got everybody with me
