

Leaving

Bass Drum of Death

So this is what your place
Looks like in such a time
And if I have (?) about it
I (?) fine

Say too bad
Or stay with me
Say too bad
Or stay with me now

I don't know why I'm leaving for
I don't know why I'm leaving for
I don't know why I'm leaving for

I never (?)
You are always taking up my mind
But if I could see that you're out there
I bet you, you're mine

Say too bad
Or stay with me
Say too bad
Or stay with me now

I don't know why I'm leaving for
I don't know why I'm leaving for
I don't know why I'm leaving for
I don't know why I'm leaving for

I don't know why I'm leaving for
I don't know why I'm leaving for
I don't know why I'm leaving for
I don't know why I'm leaving for
