

## Far From Home

Basshunter

La, la, la, la, na, na, na, na, na, na, na, na, na  
La, la, la, la, na, na, na, na, na, na, na, na, na  
Far from home

Ten thousand meters high life's not complicated  
I guess I'm a lucky guy but still I find no reason  
Why I feel so empty inside  
I guess I'm far away from home tonight, tonight

All the places where I have been  
And the rest of this world to be seen  
But I feel that I'm far from home  
And I want to be here on my own

All the places where I have been  
And the rest of this world to be seen  
But I feel that I'm far from home  
And I want to be here on my own, far from home

Ten thousand meters high life's not complicated  
I guess I'm a lucky guy but still I find no reason  
Why I feel so empty inside  
I guess I'm far away from home tonight  
Why I feel so empty inside?  
I guess I'm far away from home tonight, tonight

All the places where I have been  
And the rest of this world to be seen  
But I feel that I'm far from home  
And I want to be here on my own, far from home

I guess I'm far away from home tonight, tonight
