Breathless

Bassnectar

```
I'm still restless...
Leave me breathless...
I'm still restless...
Leave me breathless...

In all my dreams I'm still restless
why do you always leave me breathless
in all my dreams... leave me breathless

In all my dreams I'm still restless
why do you always leave me breathless
in all my dreams I'm still restless
why do you always leave me breathless
in all my dreams...leave me breathless
in all my dreams...leave me breathless
in all my dreams [repeats]
in my dreams... [repeats]
```
